THE STALLIONS ARE HERE!

Jerry and Cheryl Dupuy, members of GWRRA Chapter G in Charleston, South Carolina, have just become the newest authorized STALLION DEALER for South Carolina and surrounding areas. They have a showroom located in Summerville, South Carolina, just outside of Charleston which will feature the new Stallion trikes by Thoroughbred Motorsports. The Stallion trikes and Thoroughbred Motorsports have been the centerfold advertisement in Wing World for the past 4 issues. Most of you have heard or seen this new trike. This is an original trike designed in the USA, built in the USA, and engineered for the driver and passenger's comfort and ease of operation in combination with more power and better mileage. Yes, this trike has the power to weight ratio of a GT mustang with the fuel mileage of a hybrid! The Stallion trike is unique in that it has the following standard equipment: a 2.3 litre Ford engine with 150 horsepower and 155 ft. lbs. of torque; 5 speed automatic transmission; 4:10 rear axle ratio; 9.5 gallon fuel tank; 7 cubic foot trunk space; am-fm cd radio; air conditioning and heat for both passenger and driver; telescoping brake and accelerator pedals; and 18" billet rear wheels. It comes in 6 gorgeous colors with all options on board and a 3 year/36,000 mile warranty.

Jerry and Cheryl expect their first demo to arrive at the showroom mid March. They would like to invite all of their Goldwing friends and family to come and visit the showroom, take a demo ride, or give them a call at 843-376-2020. Cheryl and Jerry have enjoyed several test rides on the Stallion and are very impressed with its performance. They have had several Goldwing trikes and many Goldwing 2 wheelers in their past but both agree the Stallion trike is not about miles per gallon but all about smiles per mile. Cheryl says “You have to ride it to believe it! Watch for our open house!”

You can visit Jerry and Cheryl’s website at www.cmjmotorsports.com or call them at the showroom 843-376-2020. They will also have their demo at the South Carolina District Rally in May and Wing Ding in July. You can find a rally schedule on their website and they will be visiting the GWRRA chapters in South Carolina. “We look forward to seeing you on the road.”
